Breaking the Minority Model: Disrupting the stereotypes surrounding the success, living conditions, health, and immigrations of Asian-Americans and Pacific Islanders

1. Who is an Asian-American?
An Asian-American is anyone from any country in the continent of Asia that currently resides in the United States.

2. What is the minority model?
The cloud of misunderstanding and misunderstanding of Asian-Americans cultures, standards, and values.

3. What is the effect?
Asian-Americans are constantly misrepresented and pushed to face other minorities.

4. AAPI's / Other Minorities
Asian-Americans are put against other minorities when now is the time to come together against all injustices.

5. How to break the minority myth
Stop the ignorance & uneducation of Asian-American culture and stop asian hate & all hate towards all minorities.

I AM NOT YOUR SCAPEGOAT
